

Be sure to read this manual before using the product. Keep this manual for future reference.

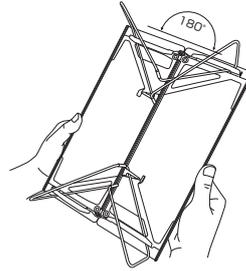

To use table

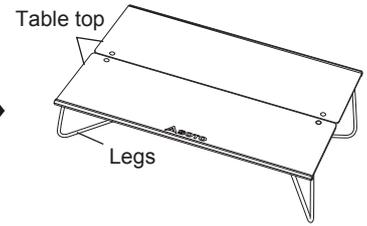

1. Hold long ends of the table with both hands as shown in the figure above.

2. Gently open table. The legs will automatically pop up.

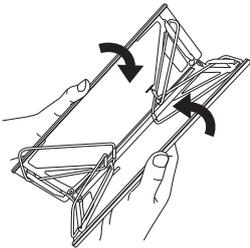

3. Make sure that both sides are at a 180-degree angle.

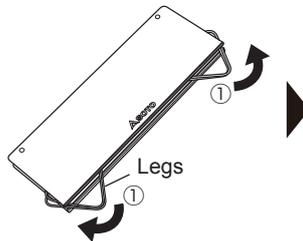

4. Turn table right-side up to use.

CAUTIONS : Never lift or move table when in use. The table does not lock in the open position, which may result in the table becoming unstable and collapsing.

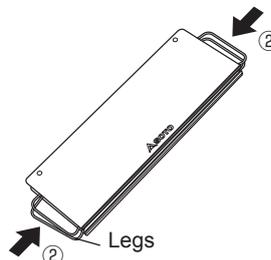

To stow table

1. Turn table upside down, legs up. Gently fold long ends together (like closing a book).

2. Gently slide legs between the 2 sides of table and snap closed.

3. When not in use, it is recommended to place table in stowing bag.

CAUTIONS : There is no locking system for stowing the table. When not in use, keep table in the stowing bag.

Warnings and Cautions When Using Table

- Always place the product on a flat, firm surface.
- Never step on the product or use as a footstool. Maximum weight capacity is 3 kg or 6.6 lbs.
- Distribute weight evenly to avoid damage or tipping of table.
